

# 2024 Spring Pitstop Information

As we prepare for our 2024 spring pitstop, our contractor partners are working with the local building trade unions to supply the skilled workforce. If you are a tradesperson who values safe and respectful worksites, competitive compensation and enjoys working in a team environment, please join our spring pitstop team!

## Spring Pitstop Schedule: April 21 to May 16, 2024 (stream to stream)

*\*Please contact your local union for exact dates on work duration based on contractor requisition\*.*

### Information and Incentives:

- Safety is a core value at Irving Oil and an everyday focus on site
- We offer a competitive compensation package with incentives and reimbursement for eligible skilled tradespeople that includes:
  - Overtime paid as double-time (subject to and in accordance with the applicable collective agreement)
  - Subsistence allowance paid at **\$200 per day** for eligible workers.
  - Subsistence allowance paid **7-days per week** for eligible workers.
  - Initial and return travel assistance paid at **\$0.70/km** for eligible workers.
  - Reimbursement for Newfoundland ferries and Prince Edward Island bridge.
- Attractive shift schedule: 6 x 1 schedule, 10-hour shifts, both days and nights.
- Irving Oil preferred rates at select hotels when booking your accommodations.

Please reach out to your local union if you are interested.

Thank you,  
Irving Oil Labour Relations
